

Cellularimaging Image Contest

*Send in your most beautiful
Confocal, Wide field or Electron Microscope Images*

Closing date 8-jan-2016

Please send your images per e-mail to R.A.Hoebe@amc.nl
For large files (6MB or more) use <https://filesender.surf.nl>

If possible, use original files (for example a Leica LIF file) and give a short description of the imaged sample and staining protocol etc.

The most beautiful Images will be printed, framed and shown in the facility

The images will be shown, after the closing date, on www.cellularimaging.nl
Visitors will then be able to vote for a month and the top 5 winners get a small price

Cellularimaging – Core Facility, AMC
